

Sunnegga, Zermatt.

The “suntrap” at the heart of the Matterhorn paradise is a popular excursion destination for explorers young and old. It is also an ideal starting point for the onward trip to Blauherd and Rothorn. At Lake Leisee – a small mountain lake right next to the mountain railway station – families enjoy an adventure playground and various pleasant barbecue areas. While youngsters explore the play area with its merry water feature, parents relax on the comfortable wooden sun loungers and enjoy the amazing view of the unique Matterhorn.
