

Grand Train Tour of Switzerland *myTravel* Stamp Booklet 2018.

The third edition of the popular booklet has been launched – again this year providing interesting information and unique benefits around the Grand Train Tour.

More than just a great Swiss Travel System souvenir

With the purchase of a Swiss Travel Pass, each client receives a complimentary Grand Train Tour of Switzerland *myTravel* Stamp Booklet. Along the most beautiful train tour of Switzerland – in Zurich, Schaffhausen, St. Gallen, Lucerne, Interlaken, Montreux, Zermatt, St. Moritz and Lugano – passengers are thus offered opportunities to collect nine individual and unique stamps.

However, the *myTravel* Stamp Booklet is more than just a great Swiss Travel System souvenir. Until 31 December 2018, each *myTravel* Stamp Booklet holder may participate in a competition with a chance to win a truly superb first prize: a SWISS flight voucher (total value CHF 3,000) plus 4-night accommodation with breakfast in a **** hotel in Zermatt, two 8-day Swiss Travel Passes in 1st class, two 3-day Peak Passes, and two vouchers for the Zermatlantis Museum – overall value: CHF 8'200.

Of course, the *myTravel* Stamp Booklet primarily still provides all necessary information about the Grand Train Tour of Switzerland as well as the opening hours and addresses of the stamp collection facilities.

Attractive discounts to meet every taste.

One more of its many highlights are the ten integrated coupons that offer attractive discounts at several destinations and mountain railways. By using the coupons, travellers benefit from a total extra value of more than CHF 200.
