2-for-1 offers

mystsnet.com

Together with several Swiss partners, STS AG has organised a global promotion to actively support Trade and spur international arrival by train during border opening with neighbouring countries. Thus, trust in travelling by public transport is to be rebuilt in guests from abroad. Along with their arrival ticket or a ticket from the Swiss Travel System product range, guests now benefit from various 2-for1 offers as well as some complimentary offers in the form of coupons.

Benefits for you and your clients

The offers will upgrade the arrival ticket with attractive discounts all over Switzerland and at the same time provide you with additional arguments in favour of ticket sales. An added benefit for your clients – without any extra effort on your part.

Offers

The promotion includes discounts in the areas catering, leisure activities and souvenirs. Please find an overview of the individual coupons including all details on the following pages.

Usage & conditions

- Downloading the Swiss Travel Guide App – listing of all offers (coupons)
- Showing the arrival ticket or Swiss Travel System ticket and the activated app coupon at the cash point of the service provider
- max. 1 coupon per person
- Validities may vary according to service provider; while supply lasts

Communication of offers

Swiss Travel System AG, Swiss Tourism and various partners will actively support the promotion this campaign, thereby specifically considering the respective time schedules for readmission of travel activities in the individual markets. An active involvement of the Trade Partners in the promotion will be very welcome.
