

# GoldenPass Belle Epoque.

A dream journey to the luxuries of the 1930s, which saw the first metre gauge deluxe train, the Golden Mountain Pullman Express, run between Montreux and Zweisimmen. This Belle Epoque train, recreated in the style of the Orient Express, really sets the hearts of guests ablaze during the enjoyable ride in the lush, upholstered chairs. All Swiss Travel System tickets and passes are valid without any surcharge.

## Operation

- Year-round operation with consistent travel times and stops
- Two rides daily departing from Montreux (at 09.50 h and 14.50 h) and from Zweisimmen (at 12.02 h and 17.02 h)

## Facilities on the train

- Belle Epoque coaches in 1st as well as 2nd class
- Wooden chalet coach in 2nd class
- Low-floor access for travellers with reduced mobility only available in the standard passenger coaches in 2nd class. The Belle Epoque and the wooden chalet coaches are not wheelchair-accessible

## Services

At this time, no onboard services can be offered to individual travellers. Groups of 10 or more persons can pre-order catering to the seat at [goldenpass@mob.ch](mailto:goldenpass@mob.ch)

## Reservation and surcharges

- There are no obligatory surcharges in addition to the valid ticket
- Seat reservation for individual travellers is available for CHF 9 and is strongly recommended (due to limited number of seats) but not required; available via the webshop [mob.ch](http://mob.ch) as of timetable change in December for the entire following calendar year
- Seat reservation is obligatory for groups of 10 or more persons and requires a surcharge of CHF 7 per person; assignment of seats in 1st and 2nd class: 9 days prior to departure
