"Package travel means the pre-arranged combination of not fewer than two of the following services when sold or offered for sale at an inclusive price and when the service covers a period of more than twenty-four hours or includes overnight accommodation:

- *transport*
- *accommodation*
- *other tourist services not ancillary to transport or accommodation and accounting for a significant proportion of the package"*

3. Terms of purchase

The following mandatory terms apply to the purchase of STS net rate tickets:

1. An STS net rate ticket has to be combined with **at least one** of the following services:

 - **accommodation** such as overnight stays in hotels, holiday apartments or the like in Switzerland
 - **other tourist services** in Switzerland such as mountain excursions or the like
2. The price of the package has to be at least twice the included value of the STS net rate ticket (Example: STPN 8 days at CHF 273 / package must be a minimum of CHF 546).
3. The net rate ticket must be offered as part of a package arrangement at a total price. The price of the net rate ticket must not be apparent or inferable to the traveller.
4. If a package consists exclusively of public transport services in addition to the STS net rate ticket, all transport services must, if available, be obtained via the same channel/supplier as the STS net rate ticket.
5. No sales commission is paid for net rate tickets.
