As of: 4 October 2019

mystsnet.com

Many groups currently travel through Switzerland by tour coach. The most common argument against travelling by train, bus and boat is the problem of luggage transportation for an entire group. For this reason, an attractive group luggage transportation offer is to be launched in the form of a market test. The aim is to encourage more groups to use Swiss public transport.

The Market Test Express Foreign-Airport-to-Door Group Luggage has been extended and will now be carried out until 31 December 2020.
