Luzern–Interlaken Express at Lake Lungern, Central Switzerland

Route highlights.

Five lakes in just under two hours.

Few other lines pass these many lakes: Shortly after leaving Lucerne, Lake Lucerne and Lake Alpnach come into view on the left-hand side, followed by Lake Sarnen and the idyllic Lake Lungern. For the last half hour, the route leads along Lake Brienz, shimmering in beautiful turquoise. The journey ends at Interlaken, situated between Lake Brienz and Lake Thun.

Bistro: the rolling à-la-carte restaurant

Whether breakfast offers, regularly changing lunch menus or themed culinary specialities: The bistro team provides whatever the hungry traveller's heart desires. Those who prefer to stay in their seats can use the "Bistro Order" app to order drinks and snacks directly to the seat.

"LiveGuide" app.

Passengers who are hungry for knowledge can use the free "LiveGuide" app of Zentralbahn. It offers a wealth of interesting information about the region. Thanks to map view, guests can follow the train movement in real-time. Push notifications inform about the next highlight – right on time.

Foxtrail "Hermes" – out and about with Zentralbahn.

Foxtrail is an entertaining recreational adventure for friends and families keen on exploring new things. The fox roams around and through the train, leaves its tracks in the beautiful landscapes and lets its trackers rediscover the countryside and the railway world. Those who want to stay hard on the heels – or paws – of the cunning beast have to use their brains, creativity and power of observation. The ingenious group adventure makes for a perfect day trip for all participants.
