Luzern–Interlaken Express at Lake Lungern, Central Switzerland

## Route highlights.

### Five lakes in just under two hours.

Few other lines pass this many lakes: shortly after leaving Lucerne, Lake Lucerne and Lake Alpnach come into view on the left-hand side, followed by Lake Sarnen and the idyllic Lake Lungern. For the last half hour, the route runs along Lake Brienz, shimmering in beautiful turquoise. The journey ends at Interlaken, situated between Lake Brienz and Lake Thun.

### Bistro: the rolling à-la-carte restaurant.

Whether breakfast offers, regularly changing lunch menus or themed culinary specialities: the bistro team provides whatever the hungry traveller's heart desires.

### Foxtrail "Hermes" – out and about with Zentralbahn.

Foxtrail is an entertaining recreational adventure for friends and families keen on exploring new things. The "fox" roams around and through the train, leaves its tracks in the beautiful landscapes and lets its trackers rediscover the countryside as well as the railway world. Those who want to stay hard on the heels – or paws – of the cunning beast must use their brains, creativity, and power of observation. The ingenious group adventure makes for a perfect day trip for all participants.
