## Mountain highlights.

### 360°-restaurant “Piz Gloria”.

Perfect – before or after the mountain exploration: Within 45 minutes, the revolving 360°-restaurant “Piz Gloria” completes one full rotation while the breathtaking panorama – a genuine natural spectacle with more than 200 mountain summits – silently glides past. The restaurant serves its guests a wide range of dishes: the popular James Bond Brunch and the delicious 007 Burger among other culinary delights.

### Bond World.

The interactive exhibition “Bond World” immerses visitors in seven key scenes from the James Bond movie “On Her Majesty’s Secret Service”. The tour allows guests to experience the film up close. They get detailed information about the making-of, see the original screenplay and may even test their own James Bond skills: from the expert hat-toss in Miss Money-penny’s office, via a helicopter simulator, to an exciting bobsleigh chase.

### Skyline Walk and Thrill Walk.

From the station at Birg, visitors get a unique glimpse of the mountain world of the Schilthorn region. The panoramic platform “Skyline Walk” leads over a sheer precipice and affords a view of the grandiose panorama as well as a glance into the bottomless deep. An even loftier experience – and a veritable adrenaline rush – awaits visitors on the “Thrill Walk”. The adventure starts at the platform and leads along a 200-metre (656-feet) cliff walk, which passes below the cableway station and then turns back towards Birg – truly unforgettable.

### Mountain village Mürren.

On a sun terrace high above the Lauterbrunnen Valley sits the village Mürren. Eiger, Mönch and Jungfrau, the “big three”, seem to be within one’s reach. The picturesque, car-free mountain village attracts visitors with characteristic wooden Chalets and a wonderfully rustic atmosphere.
