Mountain highlights.

360° restaurant Piz Gloria.

Perfect – before or after the mountain exploration: within 45 minutes, the revolving 360° restaurant Piz Gloria completes one full rotation while the breathtaking panorama – a genuine natural spectacle with more than 200 mountain summits – silently glides past. The restaurant serves its guests a wide range of dishes: the popular James Bond Brunch and the delicious 007 Burger among other culinary delights.

Bond World.

The interactive exhibition “Bond World” immerses visitors in seven key scenes from the James Bond movie “On Her Majesty’s Secret Service”. The tour allows guests to experience the film up close. They get detailed information about the making-of, see the original screenplay and may even test their own James Bond skills: from the expert hat-toss in Miss Money-penny’s office via a helicopter simulator to an exciting bobsleigh chase.

Skyline Walk und Thrill Walk.

Visitors experience a veritable adrenaline rush on the “Thrill Walk”: starting at the platform, the walk leads along a cliff footbridge of 200 metres (656 feet) in length, passing below the cableway station and then turning back towards Birg station, all over glass and grid floors – and a steel cable. A truly unforgettable mountain adventure with unparalleled views.

Mountain village Mürren.

On a sun terrace high above the Lauterbrunnen Valley sits the village Mürren. Eiger, Mönch and Jungfrau, the “big three”, seem to be right within one’s reach. The picturesque, car-free mountain village attracts visitors with its characteristic wooden Chalets and a wonderfully rustic atmosphere.
