Mountain highlights.

360° restaurant Piz Gloria.

Perfect – before or after the mountain exploration: within 45 minutes, the revolving 360° restaurant Piz Gloria completes one full rotation while the breathtaking panorama – a genuine natural spectacle with more than 200 mountain summits – silently glides past. The restaurant serves its guests a wide range of dishes: the popular James Bond Brunch and the delicious 007 Burger among other culinary delights. A new highlight is the “Piz Gloria Zvieri”, which invites to a comfortable conclusion of one’s excursion to the Schilthorn – in good company, with a delicious cold platter with local cheese and meats and a glass of Swiss wine.

007 film location.

The Schilthorn acquired world renown as the filming location for the James Bond Movie “On Her Majesty’s Secret Service”. To this day, one can follow in the footsteps of the world’s most famous secret agent on Piz Gloria. The interactive exhibition “Bond World” delights Bond fans with movie scenes and background information. In the Bond Cinema, visitors experience the film scenes up close. From the outdoor terrace, the “007 Walk of Fame” leads to the Skyline View Platform, where a gorgeous panoramic view onto the surrounding mountains awaits. It even amazed James Bond.

Skyline Walk and Thrill Walk.

Visitors experience a veritable adrenaline rush on the “Thrill Walk”: starting at the platform, the walk leads along a cliff footbridge of 200 metres (656 feet) in length, passing below the cableway station and then turning back towards Birg station, all over glass and grid floors – and a steel cable. Guests enjoy a special view of Eiger, Mönch and Jungfrau from the viewing platform Skyline Walk at the Bistro Birg, where visitors are invited to take a rest.

Mountain village Müren and Allmendhubel.

On a sun terrace high above the Lauterbrunnen Valley sits the village of Müren. Eiger, Mönch and Jungfrau, the “big three”, seem to be right within one’s reach. The picturesque, car-free mountain village attracts visitors with its characteristic wooden Chalets and a wonderfully rustic atmosphere. Those who like things a little more active can take the cog railway to the Allmendhubel, from where various hiking trails lead back to Müren. Fun is also guaranteed for families on the Allmendhubel: in the adventure playground “Flower Park” with the new water labyrinth attraction.
