

Voralpen-Express.

The Voralpen-Express is the most appealing way of travelling between Central and Eastern Switzerland. The new, state-of-the-art train passes the impressive Rothenthurmer upland moor, continues through the rolling Toggenburg and finally crosses the Sitter Viaduct, regarded as Switzerland's highest railway viaduct, near St. Gallen.

Operation

- Year-round operation
- Operates in both directions at hourly intervals

Facilities on the train

- Large panoramic windows in all coaches
- Transport of bicycles in coaches marked with a bicycle pictogram (self-loading, subject to charge)
- Family zone with illustrated hidden object games
