

Voralpen-Express.

The hourly operating Voralpen-Express between Central and Eastern Switzerland is the most beautiful connection of nature and culture. The copper-coloured train passes the impressive upland moor in Rothenthurm, continues through the rolling Toggenburg, and finally crosses the Sitter Viaduct – regarded as Switzerland's highest railway viaduct.

Operation

- Year-round operation
- Operates in both directions at hourly intervals

Facilities on the train

- 359 seats, 68 of which in 1st class
- All seats with power outlets
- Panoramic windows
- 12 bicycle stands (self-loading, subject to charge)
- Space for baby buggies at the entrances
- Two wheelchair spaces
- Family compartment with illustrated hidden object pictures about the four seasons

Catering

The Voralpen-Express offers two modern bistro areas with snack and drink vending machines as well as a coffee machine. Guests can find regional and typical classics in the snack vending machine.
