

## Rhaetian Railways (RhB) Alpine Classic Pullman – Elegance on rails

### Experience

The Alpine Classic Pullman lets you indulge in a little luxury while enjoying a breathtaking Alpine experience at the same time. Celebrate your company outing or someone's birthday on an elegant train ride – on board vintage railway carriages in the enchanting art deco style of the early 20th century.

It's not just the roomy armchairs, the bay windows, the diminutive window tables or the exquisite teak fittings that make the elegant Alpine Classic Pullman what it is. Its uniqueness arises from the perfect aesthetic harmony between all these details. The four coaches, each with 32 seats, offer the perfect setting for a top-level business outing, a special birthday treat, a customer-relations event or a wedding reception.

The saloon cars can be booked along with the Crocodile engine for special trips on the entire network of the Rhaetian Railway – on request, even as far as the Matterhorn in Zermatt. As the finishing touch you can also book the Piano Bar, with live music, drinks and appetizers, as part of the package.
