The absolute highlights for your journey.

You’ve got to see this! This is definitely true for the following public transport experiences under:

The top train experience.

The Grand Train Tour of Switzerland merges all panoramic lines into one breath - taking public transport journey. With 200 kilometers outside the window, the train passing through different landscapes, the ride up Mount Rigi, and the view from the Schilthorn, the journey alone already provides you with countless postcard motifs. Clearly, this mountain is among the Swiss highlights. The cog railway to the 1,893-meter-high summit, the 360-degree panoramic views from the Schilthorn, and the Peak Walk by Tissot. This is a journey that simply must be experienced.

Glacier Express: from St. Moritz to Zermatt

The Glacier Express' famous red train offers unrivalled views across the high Alps, as it makes its way through the heart of the UNESCO World Heritage Site. The fire-red train offers an almost infinite view on clear days. Tissot Peak Walk offers a unique panoramic view over 120,000 square meters of alpine nature on both sides of the Rhaetian Railway. As it masters every ascent, the fire-red train offers unrivalled views of the Rhaetian Railway. Apart from its impressive relief, the only accessible glacier in Europe is included in the Swiss Travel Pass.

Luzern–St. Gallen (Voralpen-Express)

Central Switzerland also offers Europe’s highest suspension bridge connecting the city of Lucerne with the town of St. Gallen. Aurora, rotating, and the cascade center of the Lucerne Lake. See the lake from above and enjoy the city’s infrastructure and new landscape.

Lugano–Luzern (Gotthard Panorama Express)

The Panoramic combines the French-speaking “Riviera” region around Lake Geneva, vineyards, and impressive castles: the GoldenPass route: here, train and boat merge two beautiful Swiss regions into picturesque landscapes roll by. From Interlaken in just one and a half hours to the summit.

Jungfraujoch

An excursion destination with constant magical powers and an almost infinite view on clear days. The Jungfraujoch area offers a unique view of the Swiss Alps. Enjoy the most diverse views since the introduction of panoramic trains: from the top of Eastern Europe to Europe’s most famous mountain, the Matterhorn in Zermatt.
