

Charter offers for seminars & conferences.

With Swiss Travel System AG and the unforgettable charter experiences of our partners, meetings and incentives can start even on the journey to the destination. Trains, buses and boats are ready and waiting to take foreign guests from the airport to their meeting places.

SBB Charter – In any event.

Travelling together in a larger group and making good use of the time: the Swiss Federal Railways (SBB) offer exclusive events and mobility solutions by train.

Churchill.

The Red Double Arrow owes its nickname to the late British Prime Minister Winston Churchill (1874-1965), who travelled Switzerland in 1946. Even today, it is still possible to journey through Switzerland on this train on individually selected routes, just as the famous politician once did – accompanied by culinary highlights or an aperitif.

Price example “Churchill”: Circular tour „Four bridges”.

The circular tour “Four Bridges” entails a nostalgic-culinary trip to the Rhine Falls. The tour gets off to a glamorous start, with a red carpet awaiting those making their way to the train track at Zurich Main Station. Highlights include special bridge stops, which come with stunning views. Attractions along the route include “Schloss Laufen” and the Rhine Fall – Europe’s most spectacular waterfall, as well as the Rhine Fall bridges. The train turns around in Steckborn, allowing passengers to take in views of Lake Constance. Throughout the 3.5 hour-long journey, catering specialists will tend to the wishes of its passengers. That way, the circle tour will not only be remembered for its views, but for its culinary delights, too.
