

Furka Steam Railway.

This memorable trip on the Furka Steam Railway is also a trip back through history towards the golden age of steam trains in Switzerland. The nostalgia train sets out at Realp (Canton Uri) and takes passengers along the historic Glacier Express route through the magnificent mountain scenery of the Central Alps towards Oberwald (Canton Valais), reaching its highest point at 2,160m/7,087ft during the brief stopover at the Furka station.

Top attractions

- Rides on meticulously restored vintage trains: experiencing train rides as they used to be 100 years ago.
- Discovering the high Alpine world of the Rhone glacier and grandiose mountain scenery.
- Crossing the watershed between the Northern Sea and the Mediterranean.

Good to know

- Operates from 23 June to 07 October 2018.
- Runs Fridays, Saturdays and Sundays from 23 June to 07 October 2018 and daily from 09 July to 19 August 2018.
- Optional stopover in Gletsch.
- Wide range of refreshments (food and beverages) available at the Furka mountain restaurant during stopover at Furka station.
- Early and late trains for hikers and bikers.

Sales information

- Seat reservations are required via dfb.ch.
- Children up to their 16th birthday accompanied by a parent travel free of charge.
